

## Year 2 Curriculum Map

## Spring 1 2024 - 2025

**English-** The unit this half term is all about 'Amazing Birds'. In this unit children will be exploring a range of different non-fiction texts and creating their own non-fiction text about different birds. Children will enjoy a visit from some owls which they will base their non-fiction text on.

**Maths-** In Maths, we will continue to learn our 10, 5 and 2 times tables. We will also continue to explore money as well as learning methods to support with addition and subtraction equations.

**Science-** In Science, we are continuing with our unit 'Animals including Humans'. Children will learn about different food groups, how we can stay healthy through healthy eating, exercise and keeping clean as well as learning how medicines can help us but also the dangers to medicines.

**PE-** This half term, children will learn how to play tennis, including balancing a ball on a tennis racket and playing with a partner. Children will also be learning different gymnastic techniques.

**History-** This half term we will be exploring significant places in our local area. Children will inquire 'How can we find out about what our school was like in past?'. Children will explore different artefacts, ask questions and look at similarities and differences between now and then.

**Art-** In Art, we will be studying the work on William Morris. William Morris was famous for his designs on wallpaper. Children will create a design to be printed onto wallpaper.

**PSHE-** This term, our unit is called 'Relationships'. Children will be learning what a good relationship looks like and how people should be treated in order to have a good relationship with them. We will also be looking at online relationships.

**Music-** In Music, we are learning a song called 'I Wanna Play In A Band'. Children will be composing their own version of the song.

**RWI-** Children have been re-assessed and been placed into their new groups. Weekly homework videos will be sent out for children to watch.

**Computing-** This half term, children will be looking at 'Coding'. Children will be able to make their own game using different codes.

**RE-** Our unit is all about Jesus. Children will be exploring 'Why did Jesus welcome everyone?'. We will be looking at how Jesus helped the ten lepers, Blind Bartimaeus and the man who couldn't walk.
