

Year 2 Curriculum Map

Summer 2 2024 - 2025

English- This half term our learning is based on the book 'Aladdin'. Children will be writing their own diary entry and analyse language to make inferences about a text.

Maths- This half term children will build their mental addition and subtraction skills, review multiplication and division strategies and learn about statistics and calculations.

Science- In Science we will be continue to learn about plants and how they grow. Children will be investigating plant seeds and planting their own seeds to grow at home.

PE- In PE children will learn continue to build on their fundamental movement skills. Children will also take part in lots of sporting activities during healthy week.

Geography- In Geography, we will be learning all about the local area of 'Barley'. Children will be using directional language as well as taking a trip to Barley to complete various field work activities.

DT- This half term children will be creating a motor car out of junk modelling materials.

PSHE- Children will take part in a Picture News lesson each week as well as continuing to learn about health and well-being.

Music- In Music, children will continue to learn the 'Friendship song'.

RWI- Children were re-assessed before the holidays and have now been placed into their new groups. Children will be sent weekly homework to complete.

Computing- This half term children will be looking at the different ways you can present ideas on Purple Mash.

RE- This half term children will review The Church and why it is a special place for Christians. Children will also learn about the Ascension and Pentecost.

Enrichment/Events This Term

23rd June- Trip to Barley
