

Homework Matrix: Red Class 24-25

Summer 1

We are sending this home as an optional extra for you to complete with your child if you would like. Below are 6 ideas of additional activities you may wish to complete with your child this term. These should be done in addition to reading 5 times a week with your child and completing the weekly RWI Home Learning. You can choose to do any number of the 6 activities, or none.

You can bring the completed homework into school to share with us or if the homework requires photos, please email them to me and I can print them at school: p.franklin@st-peters-burnley.lancs.sch.uk

<p>Cooking: We are thinking about countries around the world as part of our topic. Research any country you like and cook a traditional food from that country. It could be a country your family lives in or one you have seen on TV or read about in a book. Send us a photo of your cooking, or even better, bring some in for us to try 😊</p>	<p>Topic: While you are researching a country for cooking, make a fact file including 3 facts you have learnt about the country. Share the facts in as creative a way as possible. Bring your fact file into school to share with us.</p>	<p>Creative: Create a picture of somewhere you would love to live. It could be anywhere and include anything, let your imagination run free. Bring in your creation to share with us. <i>e.g. Miss Franklin's picture would show a lovely beach with the sun out. Next to the beach would be a castle for bees with lots of beautiful flowers and definitely a safari park full of elephants.</i></p>
<p>Maths: In Maths this term, one of our focus weeks is on Capacity. Have some fun filling different containers at home with liquid (or alternatively could use something exciting like chocolate buttons). How much does each container hold? Is there a container that surprised you with how much it held? Did any containers hold the same amount? Send us photos of your Maths fun.</p>	<p>RE: In RE this term we are thinking about 'Special Places'. Go on an adventure to one of your special places. It could be a religious building or somewhere that is special to you as a family. Send us a photo of your visit.</p>	<p>Lancashire Walk & Talk: Complete any of the Walk & Talk's on this link on our class page.</p> <p>https://www.st-peters-burnley.lancs.sch.uk/lancashire-walk-talk-initiative/</p>
