

Homework Matrix: Red Class 24-25

Autumn 2

We are sending this home as an optional extra for you to complete with your child if you would like. Below are 4 ideas of additional activities you may wish to complete with your child this term. This should be done in addition to reading 5 times a week with your child and completing the weekly RWI Home Learning. You can choose to do any number of the 4 activities, or none.

You can bring the completed homework into school to share with us or if the homework requires photos, please email them to me and I can print them at school: p.franklin@st-peters-burnley.lancs.sch.uk

Lancashire Walk & Talk: Complete any of the Walk & Talk's on this link on our class page.

<https://www.st-peters-burnley.lancs.sch.uk/lancashire-walk-talk-initiative/>

Cooking: Our theme this term is 'Let's Celebrate', one of the celebrations we will learn about is how different people celebrate their birthday. In a lot of countries it is traditional to have a cake to celebrate your birthday. Can you bake any type of cake at home? How are you going to decorate your cake?

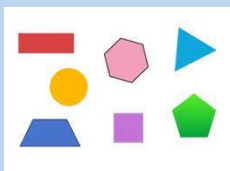

Send a photo of the finished cake to Miss Franklin before you eat it.

Remember to always have adult supervision when you're completing any cooking activity.

Maths: While learning about the numbers to 10, we have been learning to identify 2D (flat) shapes for the 'Numberland Gardens' with the number of sides for the week e.g. *during Number 3 Week, we learnt to identify a Triangle.*

Go on a shape hunt at home or 'out and about' and see how many different shapes you can find? You could take photos of the real-life shapes and send them to Miss Franklin.

PSED: We are learning about Road Safety this term. Watch this video:

<https://www.think.gov.uk/resource/safer-journeys-anthem/>

Practise road safety every day on the way to school. Can you explain how you are keeping safe on your way to school?
