

At St Peter's C of E Primary School we promise to:

Keep each other happy and safe.

Respect each other.

Help each other to do the best we can.

Forgive each other

Trust in God.

Every Child of God Matters

Love Respect Service Forgiveness Trust

What are the SATs?

- SATs are the Standardised Assessment Tests that are given to children at the end of Key Stage 2.
- The SATs take place over four days, starting on **Monday 12th May** ending on **Thursday 15th May**.
- The SATs papers consist of:
 - Grammar, punctuation and spelling (paper 1: GPS) – Monday 12th May
 - Grammar, punctuation and spelling (paper 2: Spelling) – Monday 12th May
 - Reading – Tuesday 13th May
 - Maths (paper 1: Arithmetic) – Wednesday 14th May
 - Maths (paper 2: Reasoning) – Wednesday 14th May
 - Maths (paper 3: Reasoning) – Thursday 15th May
- Writing is assessed using evidence collected throughout Year 6.

The key stage 2 tests will be taken on set dates unless your child is absent, in which case they may be able to take them up to 5 school days afterwards.

How is SATs week organised?

- The tests take place during normal school hours, under exam conditions.
- After the tests are completed, the papers are sent away to be marked **externally**.
- The results are then sent to the school in July.
- Each test lasts no longer than 60 minutes:
 - Spelling, punctuation and grammar (paper 1: Grammar/ Punctuation) – 45 minutes
 - Spelling, punctuation and grammar (paper 2: Spelling)
 - Reading – 60 minutes
 - Maths (paper 1: Arithmetic) – 30 minutes
 - Maths (paper 2: Reasoning) – 40 minutes
 - Maths (paper 3: Reasoning) – 40 minutes

During SATs week

- Please ensure your child is in school every day during SATs week and in the run up to SATs
- Please ensure appointments, holidays etc are not booked during SATs week
- If your child is poorly, please let us know as soon as possible – timetable variation

The results

Tests are marked externally. Once marked, the tests will be given the following scores:

- A raw score (total number of marks achieved for each paper);
- A scaled score
- A judgement on if the National Standard has been met.

After marking each test, the external marker will convert the raw score to a scaled score. Even though the tests are made to the same standard each year, the questions must be different. This means the difficulty of the tests may vary. Scaled scores ensures an accurate comparison of performance over time.

Scaled scores range from 80 to 120.

A scaled score of 100 or more shows the child is meeting the National Standard and a scaled score of 110 or more shows the child is working above the National Standard.

Grammar, Punctuation and Spelling: Monday 12th May

Grammar, Punctuation and Spelling: Paper 1 (GPS)

The children will have been working hard with their class teacher on developing and securing their knowledge of the technical vocabulary needed in this test.

This test focuses on:

- Grammatical terms/ word classes;
- Functions of sentences;
- Combining words, phrases and clauses;
- Verb forms, tenses and consistency;
- Punctuation;
- Vocabulary;
- Standard English and formality.

This test requires a range of answer types but does not require longer formal answers.

Grammar, Punctuation and Spelling: Paper 1 (GPS)

Example questions:

4

Which sentence must end with a **question mark**?

Tick **one**.

Shall we go round the fitness trail in the park

We could go tomorrow if you like

What I really like is the rope b

Let me know what you would like to do

1 mark

37

Complete the sentence below with an appropriate **subordinating conjunction**.

e.g. Although, While

It rained all afternoon, the picnic was a success.

1 mark

Grammar, Punctuation and Spelling: Monday 12th May

32

The teacher wants to write a sign to remind children to turn the lights off.

Write the **command** that the teacher might use on the sign.
Remember to punctuate your answer correctly.

e.g. Switch off the lights! Please turn off the lights

1 mark

Grammar, Punctuation and Spelling: Paper 2 (spelling)

Paper 2 is a shorter paper that focuses solely on spellings.

Example questions:

Spelling

1. The children were _____ the objects from smallest to largest.
2. Do not show _____ to anyone.
3. I was given a _____ award.

2022 Spelling script

Spelling 1: The word is **ordering**.

The children were **ordering** the objects from smallest to largest.

The word is **ordering**.

Spelling 2: The word is **disrespect**.

Do not show **disrespect** to anyone.

The word is **disrespect**.

Spelling 3: The word is **special**.

I was given a **special** award.

The word is **special**.

Reading: Tuesday 13th May

There is one reading test that lasts for 60 minutes.

The test is designed to measure if the children's comprehension of age-appropriate reading material meets the national standard. There are three different set texts for children to read.

The test covers the following areas (known as Content Domains):

- Give/ explain the meaning of words in context;
- Retrieve and record information/ identify key details from fiction and non-fiction;
- Summarise main ideas from more than one paragraph;
- Make inferences from the text/ explain and justify inferences with evidence from the text;
- Predict what might happen from details stated and implied;
- Identify/ explain how information/ narrative content is related and contributes to meaning as a whole;
- Identify/ explain how meaning is enhanced through choice of words and phrases;
- Make comparisons within the text.

Reading

The reading SATs paper requires a range of answer styles.

Example questions:

Questions 1–11 are about *The Parsnips* (pages 4–6)

1 Veronika's football team has two names.

What are the **two** names?

1. _____

2. _____

THE CLUB – THE FACTS

Name: Parrs Under 11s, also known as "The Parsnips"

Ground: Lornton FC, Low Road, Lornton

Capacity: 500

Plays in: The Nettie Honeyball Women's League

Sponsor: Sweet Peas Garden Centre, Mowborough

Coach: Hannah Preston

Assistant coach: Katie Regan

Qu.	Requirement	Mark
1	<p>Veronika's football team has two names.</p> <p>What are the two names?</p> <p>Content domain: 2b – retrieve and record information or identify key details from fiction and non-fiction</p> <p>Award 1 mark for reference to Parrs Under 11s and The Parsnips, e.g.</p> <ul style="list-style-type: none">• <i>The Parsnips</i>• <i>Parsnips</i>	1m

Reading

Example questions: Based on text 2: My Circus Life

17

Look at page 9.

Vladik is always changing his *Dralion* performance.

Give **two** ways that these changes to his performance happen.

1. _____

2. _____

2 marks

Do those changes happen naturally, or are you looking for ways to change it?

Sometimes those changes happen naturally, yeah. Sometimes I say to myself, "Wait a minute! I'm doing this differently." I don't know how it even happens. Some things, of course, I modify deliberately; I add a trick in or something. It's easy to do it in practice. I have many, many tricks in training. But when you're on stage, it's different because you really have to have it perfect. Especially because you get used to doing the same things for that long. So when you start to put in something new, you automatically feel your body doing something wrong. [Laughs]

Qu.	Requirement	Mark
17	<p>Look at page 9.</p> <p>Vladik is always changing his <i>Dralion</i> performance.</p> <p>Give two ways that these changes to his performance happen.</p> <p>Content domain: 2b – retrieve and record information or identify key details from fiction and non-fiction</p> <p>Award 1 mark for reference to any of the following, up to a maximum of 2 marks:</p> <ol style="list-style-type: none">Vladik's performance changing naturally / without him knowing how it happens, e.g.<ul style="list-style-type: none"><i>changes happen naturally</i><i>he just does the changes and he doesn't even realise.</i>Vladik deliberately making changes to his performance, e.g.<ul style="list-style-type: none"><i>he modifies them on purpose</i><i>they happen deliberately.</i>Vladik adding a trick, e.g.<ul style="list-style-type: none"><i>putting in a new trick.</i>	Up to 2m

Reading

Example questions: Based on the whole text

33 Think about the whole text.

What impressions do you get of Penelope as she describes her unusual experience?

Give **two** impressions, using evidence from the text to support your answer.

1. _____

2. _____

3 marks

Qu.	Requirement	Mark
33	<p>Think about the whole text.</p> <p>What impressions do you get of Penelope as she describes her unusual experience?</p> <p>Give two impressions, using evidence from the text to support your answer.</p> <p>Content domain: 2d – make inferences from the text or explain and justify inferences with evidence from the text</p> <p>Acceptable points:</p> <ol style="list-style-type: none">1. curious2. imaginative3. confused4. unafraid5. solitary / content with her own company6. observant <p>Award 3 marks for two acceptable points, at least one with evidence, e.g.</p> <ul style="list-style-type: none">• 1. <i>She has a big imagination because she thinks that she is in a forest when she is sitting in the stairway.</i> [AP2 + evidence]• 2. <i>That she is good at noticing things that go on.</i> [AP6]• 1. <i>I think she is just a curious girl who wants to know everything that is going on.</i> [AP1]• 2. <i>She is very confused. 'I never felt them touch me and this gave me a curious sensation.'</i> [AP3 + evidence] <p>Award 2 marks for either two acceptable points, or one acceptable point with evidence, e.g.</p> <ul style="list-style-type: none">• 1. <i>Brave because she did the right thing in the situation.</i> [AP4]• 2. <i>She was a person who definitely kept herself to herself.</i> [AP5]• 1. <i>She is not afraid. 'Ran downstairs and pushed open the door... expecting to see her.'</i> [AP4 + evidence] <p>Award 1 mark for one acceptable point, e.g.</p> <ul style="list-style-type: none">• 1. <i>She likes to find out about other people.</i> [AP1]	Up to 3m

Maths: Wednesday 14th and Thursday 15th May

The maths assessments consist of three tests.

- Paper 1: Arithmetic (30 minutes) – Wednesday 14th May
- Paper 2: Reasoning (40 minutes) – Wednesday 14th May
- Paper 3: Reasoning (40 minutes) – Thursday 15th May

Maths Paper 1 (Arithmetic)

The maths arithmetic paper has a total of 40 marks and lasts for 30 minutes.

The test covers the four operations (addition, subtraction, multiplication, division, including order of operations requiring BIDMAS), percentages of amounts and calculating with decimals and fractions.

Example questions:

32 $2\frac{1}{2} - \frac{2}{3} =$

33

$$\begin{array}{r} 4078 \\ \times \quad 67 \\ \hline \end{array}$$

Show your method

Qu.	Requirement	Mark	Additional guidance
32	$1\frac{5}{6}$ OR $\frac{11}{6}$	1m	Accept equivalent mixed numbers, fractions or an exact decimal equivalent, e.g. $1.8\dot{3}$ (accept any unambiguous indication of the recurring digits). Do not accept rounded or truncated decimals.
33	Award TWO marks for the correct answer of 273,226 If the answer is incorrect, award ONE mark for a formal method of long multiplication with no more than ONE arithmetic error, e.g. $\begin{array}{r} 4078 \\ \times \quad 67 \\ \hline 28546 \\ 244680 \\ \hline 273126 \text{ (error)} \end{array}$ OR $\begin{array}{r} 4078 \\ \times \quad 67 \\ \hline 28544 \text{ (error)} \\ 244680 \\ \hline 273224 \end{array}$	Up to 2m	Working must be carried through to reach a final answer for the award of ONE mark. Do not award any marks if the error is in the place value, e.g. the omission of the zero when multiplying by tens: $\begin{array}{r} 4078 \\ \times \quad 67 \\ \hline 28546 \\ 24468 \text{ (place value error)} \\ \hline 53014 \end{array}$

Maths Papers 2 and 3 (Reasoning)

Paper 2 will take place on Wednesday 14th May and paper 3 will take place on Thursday 15th May. These tests have a total of 35 marks each and lasts for 40 minutes each.

These papers require children to demonstrate their mathematical knowledge and skills, as well as their ability to solve problems and their mathematical reasoning.

- Number and place value (including Roman numerals);
- The four operations;
- Geometry (properties of shape, position and direction);
- Statistics;
- Measurement (length, perimeter, mass, volume, time, money);
- Algebra;
- Ratio and proportion;
- Fractions, decimals and percentages.

Maths Papers 2 (Reasoning)

Example questions:

6 Emma has a 5 litre bag of compost.

She uses 2.75 litres.

How much compost does Emma have left?

2.25 litres

1 mark

7 In a race, Ali completes a swim, a run and a bicycle ride.

The swim is $\frac{1}{10}$ of the total distance.

The run is $\frac{3}{10}$ of the total distance.

What fraction of the total distance is the **bicycle ride**?

$\frac{6}{10}$

1 mark

Maths Papers 3 (Reasoning)

Example question:

20

This table shows how many people finished the New York Marathon in each of the first four decades it was held.

New York Marathon	
Decade	Total number of people who finished
1st decade	24,863
2nd decade	170,932
3rd decade	282,420
4th decade	350,824

What is the mean number of people who finished the marathon per decade? Round your answer to the **nearest hundred**.

Show your method

people

3 marks

Qu.	Requirement	Mark	Additional guidance
20	<p>Award THREE marks for the correct answer of 207,300</p> <p>If the answer is incorrect, award TWO marks for:</p> <ul style="list-style-type: none"> evidence of an appropriate complete method which contains no more than one error, e.g. $\begin{array}{r} 24,863 \\ 170,932 \\ 282,420 \\ + 350,824 \\ \hline 828,939 \text{ (error)} \end{array}$ $828,939 \div 4 = 207,234 \text{ r}3$ <p>Rounded to the nearest hundred = 207,200</p> <p>OR</p> <ul style="list-style-type: none"> sight of $207,259 \text{ r}3$ OR $207,259 \frac{3}{4}$ OR 207,259.75 <p>Award ONE mark for:</p> <ul style="list-style-type: none"> evidence of an appropriate method with more than one error. 	Up to 3m	<p>Answer need not be obtained or rounded for the award of ONE mark.</p> <p>A misread of a number may affect the award of marks. No marks are awarded if there is more than one misread or if the mathematics is simplified.</p> <p>TWO marks will be awarded if an appropriate method with the misread number is followed through correctly.</p> <p>ONE mark will be awarded for evidence of an appropriate method with the misread number followed through correctly with no more than one error.</p>

Supporting your child at home:

- Tasks will be set on LBQ for all aspects of Maths, Reading and English for your child to complete. You can help by reading questions to them and encouraging them to make jottings (especially in Maths) before inputting their answer.
- Reading: Listen to your child read every night (if possible)
- Ask questions about the book to check their understanding and look up words using dictionaries or word hippo together.
- Spelling and Grammar: We will be uploading useful songs to the school website which will help to memorise some of the tricky terminology.
- Maths: TT Rockstars will help some children who are still not able to recall times tables quickly.
- I will be sending 10 minute daily exercises home as an extra task which will be useful over the Easter holidays.

Supporting your child at home:

- Keep revision light and be careful to not to do too much. Little and often is better than one long session.
- Encourage your child to talk about their anxieties. A small amount of anxiety is normal and not harmful.
- Support and encourage them.
- Give them a space to work that is quiet and distraction free (if possible)
- Ensure they get a good amount of sleep.

Important things to remember:

- Sats test what your child knows about Maths and English.
- Get them to see it as a challenge to show off what they know and to gain a sense of achievement in these areas of learning.
- It doesn't tell the whole story; we value the importance of celebrating children's achievements across the whole curriculum

Breakfast Club - SAT's week.

We have found that children who attend Breakfast Club during SAT's week, are much more relaxed and ready to face the tests.

We have ordered 'special' breakfasts for the children and fully expect EVERY child to attend Breakfast Club during SAT's week.
