## English

This half term, we are focusing on Classic fiction. We will write our own short stories using similar characters, plot and themes to The Wizard of Oz.

Grammar sessions will focus on:

Blending action, dialogue and description, formal/informal speech and antonyms/synonyms.

## Maths

Our units this term will be:

Algebra and sequences, Geometry and Area, Statistics, Place Value, Calculation and fractions.

## Science

Our unit this half term is Light and How We See Things. We will be looking at how light travels, light sources, the parts of the eye and how they work and carrying out some investigations into shadows.

## PE

Mr Carr will teach P.E on Monday afternoons and Friday mornings with the focus being on Gymnastics and Tennis.

## Geography

This half term we are looking at California in North America. We will be investigating the physical and human features of the area, making connections between the climate, altitude and aspects of the regions. We will investigate how people make their living and use evidence to justify opinions about living near the San Andreas Fault.

## Art

This term we will focus on the artist, Leonardo Da Vinci. We will investigate him as an artist and learn to develop his skills such as sketching before creating our own final piece in his style.

## PSHE

This half term, we are looking at families and friendships before moving onto safe relationships and respect.

## Music

Mrs Spall will continue to teach music on Monday mornings.

## French

Mr Rainbird will teach French on Monday afternoons with a focus on asking and answering about playing sports.

## Computing

This term will start with a lesson on online relationships before moving onto our main unit which focuses on creating our own web pages.

## RE

We have two main themes we will be focusing on this term.

- 1) The Eucharist: Why do Christians celebrate the Eucharist?
- 2) The Exodus: Why is the exodus such a significant event in Jewish and Christian history?
