Art work

Mickey Mouse

Flowers

Marilyn Monroe

Equipment

Print blocks

Rollers

Paintbrush/Pallets/Paints

Sketch books

Artist research sheet

Images of artwork by Andy Warhol

Evaluation sheet

Key Vocabulary

Pop Art

Pop art is art made about popular things and people, such as singers and actors. Pop art became popular in the 1960s. It is usually very eye-catching, and uses bright and bold colours.

Printing

Printing is a way to make many identical copies of texts and images on paper.

Screen-printing

Screen printing is the process of transferring a stencilled design onto a flat surface using a mesh screen, ink and a squeegee.
