

# Miss Franklin

Hello, I am Miss Franklin the Red Class Teacher and EYFS Leader. My birthday is 6th July and I will be 33 years old this year, when is your birthday?

My brother, Ben, lives in Seattle in America and my Mummy and Step-Daddy live in the Yorkshire Dales on a farm. There are lots of sheep and cows around their house!

When I am staying with my parents I spend lots of time with

our sheep, Bob and Shadow, who love a good head scratch and being fed vegetables out of our kitchen window.

Cuddling a goat on the farm trip.

Elephants are my favourite animal!

This is me!

In Red Class I like spending my time in the reading area looking at books, my favourite picture book is 'The Gruffalo' by Julia Donaldson. My favourite part of the school day is when we have Topic time, as I enjoy learning lots of different things about the world around us. I also really enjoy Read, Write, Inc. as it helps me to read stories which is one of my favourite things to do. The thing I love most about Red Class are all of the trips we get to go on. Especially the trip the farm, because I get to see goats and I love goats!

Can you guess what my favourite colour is?

This is my family when we went to visit Ben in Seattle!
