Home learning

This academic year, our school will not be assigning traditional homework for children. Instead, we are placing a strong emphasis on two key areas that have a significant impact on children's learning: daily reading and times tables practice. We kindly ask that your child reads for at least 15-20 minutes every day at home. This can be done independently or with an adult. Regular reading not only strengthens vocabulary and comprehension but also helps foster a lifelong love of books. CBeebies bedtime stories

<https://www.bbc.co.uk/cbeebies/shows/bedtime-stories> is a good website for children to listen to stories or listen to adults read to them at home. There are lots of free eBooks here

In regards to Maths, Yellow Class will begin learning to count up 10, 5 and 2. To support their learning 'Hit The Button'

A decorative border of small yellow stars surrounds the text.

<https://www.topmarks.co.uk/maths-games/hit-the-button> is useful when practising, and use these songs <https://www.percyparker.com/> to learn the times tables. If you have any questions please feel free to ask.
