## Attendance....

As well as our usual weekly newsletter, this week we also have an Attendance Newsletter with more information about whole school attendance, plus some handy links for support. The children have received their 2<sup>nd</sup> traffic light letter this week. 122 children received a green letter, 50 children received an orange letter and 34 red letters. 63 children received their 100% badge for full attendance this term. Well done!

## **Christmas Fair**

**A HUGE thank you to everyone who attended our very first Christmas Fair yesterday. We do hope everyone enjoyed it and hope to do more events like this in the future. We have lots of ideas to make our next event even better. We welcome feedback from parents to support us in making it exactly how you would like. So far, one parent has kindly emailed in to said their children absolutely "loved" the Christmas fair, the atmosphere, different fun games, face painting and the food. It was really lovely to see such positive participation from everyone, and it truly made the end of the week/term feel worthwhile for the children. A huge thank you to everyone who organised and contributed to the Christmas fair. This is exactly the kind of experience that makes school so memorable when children look back on their childhood.**

## **Up coming events...**

## Performances....

Thank you to all the parents who attended school this week to watch our children participate in various performances. The children never cease to amaze us with their confidence and creativity in their performances. Our singing is most certainly a St Peter's Super Power! A huge thank you to Meena, for all her support with our singing. She is a true asset to our St Peter's team. The children also love their dance sessions with Helen and work so hard to learn a routine with her.

## Christmas holiday...

Wishing every one a wonderful Christmas and a Happy New Year. We will see everyone back in school on the 5<sup>th</sup> January 2026.
